## The Pro Parks Levy is Making a Difference in Your Community

With funding approved for this eight-year levy by Seattle voters in 2000, we're building new parks, enhancing maintenance, and expanding programs throughout the city. Our recreation facilities are providing innovative teen programs that enhance self-esteem and build life skills, more environmental education to increase awareness about the wonders that surround us, swimming lessons for all 3<sup>rd</sup> and 4<sup>th</sup> graders to make sure every Seattle child knows how to swim, a wider range of activities for seniors, and more.

We're cleaning and removing litter from our facilities and parks more often; expanding park maintenance in the summer months, when use is high; and working hard to maintain our valuable landscapes, trees, and other natural assets. Whether you prefer sports or quiet contemplation, there are more active play areas and passive park lands available for you. New things are happening every day, so keep an eye out for Pro Parks Levy signs in your neighborhood!
